Dear Mr. Kunal Bawliya,

We are pleased to offer you the position of **Chief Executive Officer (Technical)** at **Designex**, effective from [23-02-2026].

This role is primarily technical in nature and focused on project execution and development. You will work as a core member of the company and contribute toward its long-term growth and success.

Key Responsibilities

As part of Designex, your responsibilities shall include:

- Developing websites and applications as per client requirements
- Designing and implementing user interfaces and system functionality
- Deploying and hosting websites and applications
- Providing technical support related to ongoing projects
- Assisting in explaining Designex services to clients when required
- Coordinating with the Founder before starting any project
- Sharing any business leads in the official Designex communication group for discussion and approval

You are free to work at your convenience without fixed working hours. However, you are expected to perform your duties responsibly and professionally as a core part of the company.

Compensation Structure

1. **No Fixed Monthly Salary:**

This position does not include a fixed monthly salary.

2. Project-Based Commission:

You shall be paid a commission for each project completed by you.

- a. Commission shall be calculated as a **percentage of the project value**, mutually agreed for each project (generally in the range of **20%–30% depending on project complexity**).
- b. Payment shall be released **only after successful project completion and client approval**.

3. Equity (Vesting Model):

You shall be eligible for a percentage ownership in the company under a **vesting model**, which will be activated only after an initial performance review period of [4–5 months].

- a. Equity will be earned gradually based on continued service and contribution.
- b. If you leave the company before completing the vesting period, **no equity shall be granted**.

Professional Conduct & Loyalty

- You are expected to act in the best interest of Designex at all times and remain loyal to the company during your association.
 - You shall not undertake any activity that harms the company's reputation, business, or clients.
 - You must maintain strict confidentiality of company data, client information, pricing, and strategies.

Legal & Misuse Clause

Any misuse of the company name, brand, funds, data, systems, or client information shall be treated as a **serious legal offence** and may result in immediate termination and legal action.

Exit Clause

-
- If you leave the company during the vesting period, your equity shall stand cancelled.
- Any unpaid commission for incomplete projects shall not be payable.

We believe your technical skills and professional approach will play an important role in strengthening Designex. We look forward to working with you in a transparent and growth-oriented manner.

Please confirm your acceptance of this offer by replying to this email with your consent.

Sincerely,

Sobit Kumar
